Queriendo preservar el pasado y encarnar un espíritu de conservación y respeto por la naturaleza presentamos **evoque**. Regenerando dos maderas, una decapada, pintada de blanco y envejecida, y otra color nut quemada y tratada. Ambas se pueden colocar tanto en sitios rústicos como urbanos, con un aire vintage.

With the desire to preserve the past and embody the spirit of conservation and respect for nature, our new serie **evoque** is presented. Regenerating two diverse woods; a white painted wood, pickled and aged and, another wood in burned and treated nut color. Both can be placed in both rustic and urban sites, with a vintage flair.
